Daily Horoscope for jackie

Mar 26, 2009

Mood of the Day

Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.

Concern of the Day

There is a lot of support in your environment for job-related and practical decisions. Your career could receive encouragement from those around you -- friends, co-workers, and the like.

Emotions: Balance your emotions with understanding.

Self: Your instincts and confidence should be strong and reliable.

Communication: The urge is to stop thinking and start acting.

Love: Poor judgement concerning affairs of love, beauty and art.

Energy: A good time for making changes, beginning projects, and work.

Success: An exuberant, lucky time. Enjoy and beware of excess.

Obstacles: Routines can wear you down, or they can keep you on track.

Originality: New ideas, the unexpected, and the unusual can offer new directions.

Imagination: Imagination is providing inspiration and insight. Significant dreaming.

Restarts: A time to reevaluate, let go, and begin new endeavors.

Peak 09:57 am GST

Not a great time to attempt to get your ideas across to others. You may find yourself feeling blocked and unable to express yourself, in particular in a group situation.

[Moon Square Ascendant]

Peak 09:44 pm GST

You could find that you are appreciated or valued for your feelings or your ability to act and get things done. Someone understands how you feel and is sympathetic today.
